THIS CONSTRUCTION CONTRACT ("Contract") dated as of _____, _____ by and between _____ ("Owner") and _____ ("Contractor") with an address of _____.

Owner and Contractor, in consideration of the mutual covenants hereinafter set forth, agree as follows:

Article 1. Contract Documents.

The Contract Documents which comprise the entire Contract between Owner and Contractor concerning the Work consist of this Contract, Exhibit "A," the plans and specifications prepared by Contractor ("Plans and Specifications") all Change Orders and _____.

Article 2. Work.

Contractor shall supply the labor and materials in accordance with the Contract Documents ("Work") on property which is located at _____ ("Property").

Article 3. Contract Time.

3.1 The Work shall be substantially complete no later than _____, subject to modifications in approved Change Orders ("Contract Time"). "Substantial Completion" shall mean the time when the Work is complete in accordance with the Contract Documents and, where applicable a final certificate of occupancy is issued by the governmental authority having jurisdiction. Contractor shall begin work no later than 30 days after loan closing and will not cease work for more than 30 consecutive days. With respect to the scheduled completion of the Work, time is of the essence.

3.2 Except as otherwise provided in this Contract, if the Contractor is delayed at any time in the progress of the Work by fire, labor disputes, acts of God or other causes beyond the Contractor's control, the completion schedule for the Work or affected parts of the Work may be extended by the same amount of time caused by the delay.

Article 4. Contract Price.

Owner shall pay to Contractor an amount equal to \$ _____ ("Contract Price") for completion of the Work.

Article 5. Change Orders.

Any increase or decrease in the Contract Price, change in the Work or change in the Contract Time must be set forth in a change order signed by Owner and Contractor and approved by the Lender ("Change Order").

Article 6. Payment Procedures.

6.1. Progress Payments. Prior to each payment, Contractor shall submit to Owner a request for payment in a form agreed to by Owner and Contractor and approved by Lender ("Draw Request"). Within _____ calendar days after Owner receives a Draw Request, Owner shall notify Contractor if Owner objects to any items. Owner shall pay Contractor ____ percent (____%) of the full amount covered by the Draw Request within 30 calendar days after Owner and Contractor agree on the Draw Request. Payment may be withheld for: (1) failure to perform the Work in accordance with the Contract Documents; (2) defective Work that is not corrected; or (3) failure of the Contractor to pay subcontractors or to pay for labor, materials, or equipment when due. Prior to each payment, Contractor must give to Owner a signed, sworn statement that all subcontractors and suppliers have been paid and that there are no mechanics,' materials's, or other liens, encumbrances or claims thereof on the Property.

6.2 Final Payment. Final payment of the balance of the Contract Price including the Holdback shall be made in accordance with the following procedures:

Alternatively, Owner shall deliver to Contractor a written statement that Substantial Completion has been achieved.

b. If Owner delivers a Punch List to Contractor, then Contractor shall deliver to Owner a written notice that Substantial Completion has been achieved when Contractor believes that the Punch List has been completed. Owner and Contractor then shall promptly inspect the Punch List. Promptly after such inspection, Owner shall deliver to Contractor either (i) a written statement that Substantial Completion has been achieved or (ii) another Punch List. The Punch List procedure described in this Article 6 shall be repeated until Substantial Completion has been achieved.

c. When Substantial Completion has been achieved and after Contractor has delivered to Owner all maintenance and operating instructions, schedules, guarantees, certificates of inspection, marked-up record documents and other documents, Contractor may make application for final payment following the procedure for progress payments. The final Draw Request shall be accompanied by all documentation described in the Contract Documents, together with complete and legally effective releases or waivers (satisfactory to Owner and Lender) of all potential liens arising out of or filed in connection with the Work.
